"The return of many of last year's high school mentors to mentor again this fall also speaks to the benefit they feel they have not only gained but given."

— Mentor

"The Mentors really enjoyed the Program - they rescheduled other activities to ensure that they could go to the elementary school as it was so much fun to be with their mentee."

— High School Liaison/Teacher

"I didn't know I could make such a difference by doing such a simple thing."
